UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

11 UNITED STATES OF AMERICA,
12
13 Plaintiff,

14 v.

15 DAHLAS COLEMAN,
16 Defendant.

Case No. 2:23-mj-00110-BNW

MOTION TO DISMISS CITATION

17 On July 3, 2022, Dahlas Coleman ("Plaintiff") was arrested for operating a motor
18 vehicle under the influence of alcohol and/or drugs under 43 C.F.R. § 423.40(a) and
19 N.R.S. § 484C.110(a) and for having an open container in his vehicle in violation of 43
20 C.F.R. 423.43 and N.R.S. 484B.150.1. On February 21, 2024, the parties entered into a
21 pretrial diversion agreement: Coleman agreed to pay a fine of \$500 dollars or complete 50
22 hours of community service, complete DUI school with a victim impact panel, complete
23 an 8-hour online alcohol awareness class, not enter the Lake Mead National Recreational
24 Area for a period of 6 months, and not have any adverse contact with law enforcement
25 during the diversionary period.
26

1 On May 6, 2024, Assistant Federal Public Defender Matthews reached out to the
2 office and showed proof of (1) proof of payment of the \$500 fine; (2) a certificate of
3 completion of the victim impact course; (3) certification of completion for the DUI
4 course; and (4) certificate of completion for drug and alcohol awareness course. Based on
5 the information known to the government, Coleman has complied with his conditions in
6 a timely and diligent manner.

7 Based on Coleman's payment of the fine, completion of the DUI, alcohol
8 awareness, and victim impact courses, avoidance of negative contact with law
9 enforcement since the date of his arrest, nearly 23 months ago, his prompt fulfilment of
10 the terms of the agreement, and his lack of a criminal history, the government moves to
11 dismiss the citation ahead of the August 15, 2024, status date to the Court.

12 DATED this 29th day of May, 2024.
